

HITLER PEACE PLANS REFUSED

MAN ACCUSED IN MASS FAMILY MURDER TELLS ANOTHER TALE

GEORGE PATTON ADMITS KILLING MAN; OTHER THREE KILLED DURING FIGHT

ATHENS, Mar. 16.—(AP)—Another version of the gruesome clubbing to death of an entire family on a lonely East Texas farm four years ago was given to authorities today by George Patton after an all-night questioning at Palestine.

Sheriff Jess Sweeten said the gray-bearded farmer made a signed statement recounting troubles with J. W. McGehee over some corn and a resulting fight in a barnyard some 60 feet from the rickety, two-room shanty where Patton and the McGehee family had been living together.

Patton claimed the killing of Mrs. Cain McGehee, 19, and her two sons, Bobbie, 2, and Doyle, 4, was accidental, but that he beat McGehee to death in the bloody fight. He said, according to the sheriff, that the woman and children were slain by wild swings while he and McGehee were battling for their lives.

The sheriff said Patton credited McGehee with hitting the blow that ended Bobbie's life but admitted he (Patton) had struck the woman and Doyle. He said he was armed with a rusty wagon axle while McGehee was using a heavy club.

This statement was the last of several conflicting tales Patton told officers of the four deaths. Sheriff Sweeten was far from convinced that this latest version was entirely true. The officer was convinced it was a "made-up story" and probably had been planned long before the family was wiped out.

He Taken to Dallas. Sheriff Sweeten brought the 54-year-old Patton to Dallas for questioning.

European Situation

(By The Associated Press.)

LONDON.—Informed League of Nations circles believed that Britain will reject conditions laid down by Germany for participation in council discussions of the Nazi violation of two peace treaties by remilitarizing the Rhineland, British spokesmen said the situation, while grave, was not yet hopeless; the British cabinet met in emergency session to discuss Germany's reply to the council's invitation to some quieting of the French threat to bolt the league rather than comply with Hitler's terms endangered the life of that body.

PARIS.—The French press was indignant over Hitler's terms; troop re-enforcements moved to the east from the Rhine.

BOMB.—The fate of the League figured in discussion of next Saturday's meeting of Italy, Austria and Hungary on their mutual problems.

SENATE CAMPAIGN COMMITTEE WILL PLAY IMPORTANT PART IN COMING PRESIDENTIAL BATTLE

By NATHAN ROBERTSON Associated Press Staff Writer

WASHINGTON, March 16.—(AP)—With campaign money already pouring out, senate democratic leaders gave attention today to selection of a man to head the committee which will investigate this year's election expenditures.

Senate campaign expenditure committees have played prominent roles in campaigns of the past, but the money into the campaign. Reports recently filed with the house show expenditures far above normal for this time of year.

Democratic leaders have a comparatively narrow field from which to choose members of the investigating committee. Only senators from states in which renatorial elections are not being held this year are eligible. That eliminates about two-thirds of the senate membership.

CONGRESS WATCHES NEW INCOME TAXES AS DEADLINE NEARS

HOPED AMOUNTS TO EXCEED ESTIMATES AND ENABLE SCALING DOWN PROGRAM

WASHINGTON, March 16.—(AP)—Congress displayed unprecedented interest in the annual income tax rush today, as citizens throughout the country hastened to get their returns in before the deadline at midnight tonight.

Many legislators hoped the returns would be much larger than estimated. In that case, some of them believed, congress might scale down the new \$792,000,000 tax program advocated by President Roosevelt to finance the farm aid act and part of the bonus cost.

Because of the approaching campaign, many legislators have indicated they want to make the tax program as small as possible. The treasury, optimistic about the income tax returns, officially estimated a minimum of \$438,000,000 would be received this month, compared to \$321,907,000 last March and \$228,525,000 in March, 1934.

Unofficially, however, the treasury expected the collections to run higher. Most observers looked for a total of at least \$450,000,000, with some placing the figure as high as \$500,000,000.

Charged Death Four

George Patton, 54 (above) of near Athens, Henderson county, is held in jail in connection with the deaths of J. W. McGehee, wife and two children, four years ago. The McGehees were tenants on the Patton farm. Patton has told several stories about the McGehee deaths, the latest revealed Monday, being that he killed McGehee in a fight, but that the wife and two children were accidentally killed during the affray. OBSERVANCE OF ARMY DAY HELD BY GERMAN RHINELAND TROOPS

FIRST ANNIVERSARY OF REARMAMENT IN DEFIANCE TREATY CELEBRATED

By WADE WERNER (Copyright, 1936, by Associated Press.)

FRANKFORT-ON-MAIN, Germany, March 16.—(AP)—The remilitarized Rhineland celebrated "Army Day," the first anniversary of German rearmament in defiance of the Versailles treaty, with observance of the symbolic character of the troop occupation now ten days old.

Military power was banned. Parades were sketchy. No display of air power took place since 1919, though a squadron of small scouting planes was drawn up before the hangars.

The mildness of the observance contrasted sharply with a brief but bitter episode with a brief before-breakfast "Militar Wechen" march through the streets. Then they retired to barracks, and the Swastika-beflagged streets were dominated throughout the day by the black and brown Nazi formations mobilized for Hitler's visit.

DRIVING NORTHER SWEEPS DUST INTO NORTHWEST TEXAS

TEMPERATURE DROPS OF AS HIGH AS FORTY DEGREES WERE REGISTERED

By The Associated Press.

Dust blew into Texas last night as a belated "norther" whipped the temperature sharply downward.

The north wind, reached a peak velocity of around 32 miles an hour, drove flurries of dust as far southeast as Corsicana and across most of the West Texas Plains region.

The dust clouds lingered but briefly and today skies for the most part were clear. There was some rain at Palestine and clouds in East Texas.

Mainview said a "heavy dust storm" hit there during the night but faded away before dawn. Housewives were busy at Lubbock sweeping out the film of dust which settled during the night. The temperature there dropped from 42 yesterday to 42 this morning. San Angelo's temperature tumbled from 89 to 49.

At Pampa, the "duster" was brief and no damage was caused to wheat crops on the Panhandle plains. Amarillo had a temperature drop from 76 yesterday to 34 this morning.

Dallas, where the mercury sagged from 81 to 55 had traces of dust in the air and partly cloudy skies.

At Sherman it was cloudy and the temperature fell from 79 to 51.

CHAIRMAN OF LOBBY COMMITTEE SERVED WITH HEARST PAPERS

SERVICE DURING COMMITTEE HEARING DREW CAUSTIC COMMENT FROM MEMBER

WASHINGTON, March 16.—(AP)—Chairman Black (D-Ala.) of the senate lobby committee today was served publicly with a subpoena to appear in the supreme court of the District of Columbia in answer to an injunction suit brought by William Randolph Hearst.

Deputy Marshal Harry C. Allen served the papers as a session of the committee was in progress, walking up on the dias where the senators sat.

The action prompted an immediate comment by Senator Schwelb (D-Wash.). "There has just been served on the chairman of this committee a subpoena instituted through court proceedings by William Randolph Hearst in an effort to stop this investigation," Schwelbbach said.

"A sum in excess of \$3 1/2 million dollars has been expended by public utilities of the country to defeat one single piece of legislation."

"If the public utilities, William Randolph Hearst, the American Liberty League and other special interests of this country succeed in preventing this committee from proceeding with its work, we may expect a dramatic scene when they object to some piece of legislation before the congress a marshal of the court may walk into the United States senate and serve a subpoena on the vice-president."

Gov. E. Smith, chairman of the nation's commission of inquiry, was on the witness stand.

TRAGIC DEATH CAME TO SECOND MDIVANI DURING POLO GAME

PRINCE SERGE MDIVANI WAS KICKED TO DEATH BY POLO PONY AT PALM BEACH

PALM BEACH, Fla., March 16.—(AP)—Death in a polo game gave a final dramatic touch today to the colorful life story of 33-year-old Prince Serge Mdivani, one of the widely-known "marrying millionaires."

While his bride of less than six weeks, the former Louise Astor Van Alen of Newport, R. I., collapsed at his side from the shock of grief, Prince Serge died yesterday a few minutes after he was kicked on the head by his horse from which he had fallen.

The tragedy, recalling the death of his brother, Prince Alexis, in an automobile accident in Spain a few months ago, occurred at the Delray Beach polo field.

Prince Serge's socially prominent bride was the divorced wife of Prince Alexis.

In the match between his Georgians and the Texans, led by Cecil Smith, Serge attempted a daring maneuver. He cut his pony across the line of play for a difficult reach. His mount collided with Smith's and fell. Prince

INTENTIONS PLANT INDICATE GREATER GRAINS ACREAGES

AGRICULTURE DEPARTMENT REPORTS CORN AND WHEAT ACREAGE LARGER

WASHINGTON, March 16.—(AP)—The agriculture department announced today farmers on March 1 reported intentions to plant this year 98,775,000 acres of corn, or 106.5 per cent of the average harvested last year, and 22,440,000 acres of all spring wheat, or 119.2 per cent of last year.

The corn crop was 2,202,852,000 bushels from 92,727,000 acres last year and the 1923-32 five-year average production was 5,562,147,000 bushels with average acreage 102,768,000.

Spring wheat production was 149,752,000 bushels from 12,539,000 acres last year and the five-year average production, 242,384,000 bushels with average acreage of 20,431,000.

The intentions have been analyzed and interpreted, the crop report board said, to indicate acreages for harvest, assuming relationships similar to those in past years will prevail this year, but it said actual acreages harvested may be larger or smaller by reason of weather and other conditions.

The indicated acreage for harvest of other important crops: Durum wheat 3,312,000 acres, or 125.3 per cent of the 2,664,000 acres last year when 26,777,000 bushels were harvested. The five year average was 53,909,000 bushels.

Other spring wheat, 19,128,000 acres, or 115.2 per cent of the 16,182,000 acres last year when 142,975,000 bushels were harvested. The five-year average production

Black Blizzard Sweeps Colorado Wheat District

LAMAR, Colo., March 16.—(AP)—Farmers in Southeast Colorado's "dust bowl" looked over their fields today to check on what possible damage yesterday's severe dust storm may have done to the young wheat crop.

The storm, sweeping out of the northwest with an intensity said by residents to have been greater than any since last year's disastrous "black blizzard," exerted its sand-blasting powers as it whipped across the plains.

No ruling was given on the long-pending anti-trust suit of the government against the sugar institute.

The holding company case appeared to be dropped.

The circuit court declined to pass upon the constitutionality of

Bank Statements Indicate Business Growing Better

More unimpeachable evidence that business in Corsicana and Navarro county is steadily improving was revealed in the statements of the banking institutions of the city Monday when an increase of approximately \$200,000 in deposits was shown over the same date in 1935.

Total deposits at close of business March 4, 1936, were \$6,080,218.84, compared with \$5,897,069.52 on March 4, 1935, or an increase of \$183,149.32.

Local bankers considered the showing rather remarkable because of the recent decreases in rates on bank deposits, and their progress has been even more notable in the three years since the "national bank holiday" was ended on March 15, 1933.

REPUBLICAN STATE CONVENTION WILL BE ASKED TO ORDER UNIT RULE

OKLAHOMA CITY, March 16.—(AP)—In a move to place Oklahoma Republicans unequivocally behind Gov. Alf M. Landon for president, forces supporting the Kansas governor prepared today to ask the state G. O. P. convention to order the unit rule for the national convention delegation.

The step was decided upon after a conference of party leaders with E. L. Underwood, here from Topeka as representative of the London press, and other factors that would normally contribute to a reduction of the total credited to customers' accounts.

Both Corsicana banks have shown a consistent and steady growth for many years, and their progress has been even more notable in the three years since the "national bank holiday" was ended on March 15, 1933.

Doings of Congress

(By The Associated Press)

Today—Senate: Debates whether to consider changes in Stockyards Act; lobby committee hears Robert E. Smith of the National Conference of Investors. Banking committee studies housing legislation. Finance committee analyzes proposals to change liquor tax laws.

House: Considers private bills. Appropriations committee meets on four department (state, justice, labor, commerce) appropriation bill. Ways and means subcommittee continues study of tax legislation. Special committee meet to start work investigating Townsend old age pension plan.

WPA WORKERS CAMP IN WISCONSIN'S CAPITAL

After camping through the night in the state capitol at Madison, approximately 100 Wisconsin WPA strikers sought out state officials to press demands for a \$12 increase in the \$48 monthly wage. Three strikers are shown above getting a night's rest on the legislative rostrum in the state house. (Associated Press Photo)

ANOTHER NEW DEAL CASE IS APPEALED TO SUPREME COURT

COURT SESSION IS BRIEF WITH TWO MINOR DECISIONS HANDED DOWN

By JAMES W. DOUTHAT Associated Press Staff Writer

WASHINGTON, March 16.—(AP)—Another new deal case involving constitutionality of the public utility holding company act was appealed today to the supreme court.

The court met in brief session, but handed down only two decisions of restricted significance and a list showing what new appeals they had decided to entertain or ignore. Thereupon the justices adjourned until March 30.

No ruling was given on the long-pending anti-trust suit of the government against the sugar institute.

The holding company case appeared to be dropped.

The circuit court declined to pass upon the constitutionality of

Countess Barbara Object Extortion Plot in England

MAN HELD AFTER TELLING OF PLOT TO KIDNAP BABY AND ASKING \$1,000

MANCHESTER, Eng., March 16.—(AP)—Alfred Monlyneux, 31, of Lancashire, was jailed today on a charge of attempting to extort 200 pounds (\$1,000) from Countess Barbara Hutton Haugwitz-Reventlow by pretending to reveal a plot to kidnap her newborn son.

Police said that Monlyneux had admitted writing a letter during "moments of depression" offering to disclose the "plot." He was remanded in custody for a week.

The prisoner was trapped by police when he went to keep a rendezvous with a "messenger from the countess." He told the police that no kidnap plot existed.

Detective Inspector Forster testified that a letter was received at the Haugwitz-Reventlow London home March 7 reading: "Dear Countess—I have read of your having a charming little son. Now don't get panicky. You should know that two men have left Manchester to kidnap this so named child. I am surprised to hear what elaborate plans have been made for his confinement while they wait for the ransom."

Child Lost In Black Blizzard Turns Up Alive

TWO BUTTES, Colo., Mar. 16.—(AP)—Three-year-old Steve Benson walked into a farm house alive today after spending the night lost in one of the worst "black blizzards" dust storms ever to strike this area.

More than 500 persons were searching for the boy, expecting to find him smothered or frozen to death, when he reached the farm home of Devey Fetter, six miles from where he disappeared at 10:30 a. m.

"I slept out," he said in childish English. "Saw the cows." Almost immediately he fell asleep. Doctors examined him and said his condition was "exceptionally good" considering that he had been in the open for hours in a dust storm that reduced visibility

NEW YORK, March 16.—(AP)—Tenants of 250 buildings, hampered by a two-week service walk-out, welcomed strikers back to work today while arbitration machinery was put in motion for a final settlement.

The end of the strike came yesterday when union leaders and landlords compromised their differences and agreed to immediate re-employment of strikers and arbitration of wage and hour demands.

Both sides hailed the settlement as a victory. The union pointed out that it had won reinstatement of strikers while the building operators won a retention of the open shop.

Leading society women and social workers joined in a statement appealing to the public to support

Extremists Seize Properties Owned by President Spain

Sudden Attack on President's Family and Property Despite Orders

MADRID, March 16.—(AP)—Extremists today seized extensive properties owned by President Niceto de Alcala Zamora.

An aunt of the president was attacked by the extremists but saved from serious injury by police.

The sudden attack on the president's property and family came despite an order from leftists leaders to their followers to stop demonstrating.

Mobs alleged by police to be made up of communists occupied the president's big estate at Priego de Cordoba and tried to storm the home of Senorita Gloria Torres, the 74-year-old maiden aunt of the chief executive in Jaen province.

Her retainers barricaded the house and sent word to Civil Governor Francisco Rubio, who ordered two platoons of army police to the besieged mansion.

Senorita Torres, the Marquess de Las Fuentes Del Moral, another rich property holder in the neighborhood, and three local priests were taken to the city of Jaen and placed in prison on the governor's orders to insure their personal safety.

Another mob of alleged communists, attacking the presidential estates at Priego de Cordoba, drove off the caretakers and proceeded to parcel out the land among themselves.

SECRET DIPLOMATIC DOCUMENTS SHOW UNITED STATES SOUGHT TO CHANGE ANGLO-JAP ALLIANCE

WASHINGTON, March 16.—(AP)—Hitherto secret diplomatic documents showed today that 16 years ago the United States sought changes in an Anglo-Japanese alliance.

The alliance was consummated between Great Britain and Japan in 1911 for a ten-year period.

The diplomatic correspondence published today by the state department in the course of routine printing of old documents, showed that as early as Oct. 2, 1919, the United States was concerned lest the alliance might be extended, on its expiration in 1921, in a form prejudicial to American interests in the Far East.

On that date, William Phillips, acting secretary of state, who holds the same position now, called John W. Davis, the American ambassador to Great Britain, that the state department desired "particularly to learn whether there is on the part of Great Britain a tendency to broaden or to restrict the recognition of Japan's special interests in Eastern Asia."

On May 10, 1920, Frank L. Polk, then acting secretary, called Davis that "it seems likely that Great Britain and Japan will renew their alliance."

"We are hopeful," however, Polk added, "that in making this renewal Great Britain will insist upon including in the terms of the alliance such provisions as shall safeguard the principle of equal opportunity in China and the rights of China more effectively."

"We also hope that it will be indicated that the alliance is not aimed at America."

League of Nations Council Will Grant Germany Equality

CONDITIONS IMPOSED BY HITLER, HOWEVER, WERE FLATLY REJECTED

By JOSEPH F. SHARKEY (Copyright, 1936, by Associated Press.)

LONDON, Mar. 16.—(AP)—Pierre-Etienne Flandrin, foreign minister of France, today presented a resolution condemning Germany for violation of the Locarno treaty to the League of Nations council which, earlier, had refused consideration of Reichsfuehrer Hitler's peace proposals.

Flandrin presented the resolution on behalf of France and Belgium.

The resolution stated that Germany had repudiated the Locarno pact between Germany, France and Belgium through an infringement of Article 43 of the Versailles treaty. Article 43 provides that no troops shall be sent into the Rhineland.

The action was taken in a 20-minute public session which followed a secret session in which the council members agreed to Hitler's demands for equality, but flatly rejected his "condition" that the council must discuss his peace proposals.

Hitler had offered to send a representative to the council's deliberation on Germany's remilitarization of the Rhineland only on a basis of full equality in the conference and with the understanding that his recent offer of new peace pacts would be considered.

Six nations headed by France opposed Hitler's insistence on bringing his peace proposals up for consideration.

Condon Is Chief Hope Hauptmann's Attorneys Plans

TRENTON, N. J., March 16.—(AP)—Counsel for Bruno Richard Hauptmann looked today to the imminent return of Dr. John F. "Jaffie" Condon, Lindbergh ransom intermediary, from a tropical vacation to land in prison to an eleven-hour struggle to save Hauptmann from the electric chair.

Condon, who has been in Panama for two months, is aboard the Grace liner Santa Rita, due to dock in New York tomorrow.

C. Lloyd Fisher, battling desperately to save the Bronx carpenter from execution, said he would demand a new examination of Hauptmann himself was cross-examined at his Flemington trial for kidnaping and slaying Charles A. Lindbergh, Jr.

Hauptmann probably will be put to death on the night of Tuesday, March 31. The court of pardons or Supreme Court Justice Thomas W. Treachard can save him, the court by doing the unexpected in commuting his sentence to life imprisonment, or Treachard by granting a new trial. Both are regarded as improbable.

AUTO ACCIDENTS IN TEXAS TOOK ELEVEN LIVES OVER WEEKEND

THREE MEN KILLED IN EACH OF TWO WIDELY SEPARATED CRASHES

By The Associated Press

Automobile accidents took 11 lives in Texas last weekend. Three men were killed in a collision four miles south of Jacksonville and three in a truck accident near Haskell.

In other cases, single persons were killed. In the Jacksonville tragedy, D. L. Sutton, 44, and Arvel O. Johnson, 24, both of Jacksonville, were killed instantly. E. J. Starkey, 22, also of Jacksonville, died several hours later. Melvin Yarbrough, 29, of Dallas, was injured critically and T. C. Halbert, 53, of Dallas, suffered cuts and bruises.

J. T. Tucker, 64, and Jesse T. Cook, 33, died yesterday of injuries suffered in a truck accident near Haskell Friday. Their deaths brought to three the total killed in the crash.

Miss Thelma Jinks, 25, of Dallas, was killed when she was struck by a truck.

Miss Bella Orozco was killed and her sister Guadalupe critically injured in a crash.

METHODIST SUNDAY SCHOOL GROWING

The Sunday school of the Eleventh Avenue Methodist church gained greatly in attendance Sunday, yet there are hopes of gaining more.

At the morning preaching hour Rev. J. F. Adams, pastor, delivered a very interesting and timely message on "What Will We Do With Our Inheritance?"

When the leaguers met at 6:30 p. m., they began a discus-

sion on "Who is the Most Important to a Community, a Doctor or a Preacher?" Many views were expressed by the young people under the leadership of Auty Ray Tyner, but all agreed that both professions are on different planes of life, and both are needed as

much as the other to render service to the community.

Thomas McPherson will lead next Sunday's discussion on another vital subject.

At the evening hour the Woman's Missionary Society under the direction of Mrs. N. G. Hardin, gave a very interesting program concerning the "World Outlook,"

The calendar for this week is as

follows: Steward's meeting to-night (Monday) at 7:30; the young people go to their union meeting in Kerens on Tuesday night. The young people are urged to be at

the church by 7 o'clock, and not later. Prayer meeting on Wednesday night, and on Thursday night the Missionary Society sponsors a trip around the world for all of the family.—Reporter.

DEVELOPING ROCKET

RESEARCH DESCRIBED

WASHINGTON, March 16.—(AP)—Progress in developing rockets which may pierce the secrets of the skies was described today by the Smithsonian Institution. In a new report on the work of

Dr. Robert H. Goddard of Clark University in developing these rockets, the institution, which at one time financed his research, declared that "rocket ships" which would carry human beings are impossible at present but that

Dr. Goddard's rockets, which weigh between 58 and 85 pounds, have attained speeds of 700 miles an hour, or 200 miles greater than the highest airplane speed which engineers expect to achieve, and

The motor of the machine, the Smithsonian report declared, is a combustion chamber in which liquid oxygen and gasoline mix.

with explosive force. The resulting power is exerted downward through nozzles to the tail.

LIVESTOCK-POULTRY SHOWS OF NATION BE STAGED IN DALLAS

NEW MILLION DOLLAR CENTENNIAL AGRICULTURAL CENTER TO BE SCENE

DALLAS, March 13.—(Sp.)—The majority of the outstanding national livestock and poultry shows of America during 1936 will be staged in the new million dollar agricultural and livestock center of the Texas centennial exposition.

In the two great livestock buildings five shows of national interest will be held during the progress of the Southwest's \$25,000,000 world's fair. In the poultry building no less than 18 shows of national importance will be held.

Livestock shows scheduled to date include: National Dairy Show, October 10 to 18; Texas Centennial Exposition Swine Show, October 17 to 25; Texas Centennial Exposition Sheep and Goat Show, October 29 to November 6; Texas Centennial Exposition Horse Show, October 31 to November 14; National Mule Show, November 14 to November 20.

The National Dairy Show has never before been brought to the Southwest and with the National Mule Show ranks among the premier events of their kind in the nation. Texas Hereford Cattle Show, Texas 4-H Clubs Livestock Show and Texas Future Farmers of America Livestock Show are also scheduled.

In the poultry building of the exposition the following shows are scheduled: National Turkey Egg and Turkey Poultry Show, June 6 to 25; National Baby Chick and Egg Show, June 6 to 25; Advertising Breeders Show, June 25 to August 27; National Young Bird Pigeon Show, August 28 to September 3; Wild Bird Show, September 4 to September 10; 4-H Club Poultry Show, September 11 to September 17; Future Farmers of America Poultry Show, September 18 to September 24; Young Bird Poultry Show, September 25 to October 1; National Bantam Show, October 2 to October 8; American Bred Show, October 9 to October 15; English and Asiatic Bred Show, October 16 to October 22; United Orlington Club of America Show, October 23 to October 29; Texas Club Show, October 23 to October 29; All Turkey Show, October 30 to November 5; Texas Pigeon Association Show and Rabbit Show, November 6 to November 13.

In charge of livestock shows is Professor W. L. Stangel of Texas Technological College, while Walter Burton, nationally known poultry expert is director of the Exposition's poultry division. The Texas Centennial Exposition, commemorating hundred years of Texas independence opens June 6 and closes November 29.

Personal Items Of Wortham Interest

WORTHAM, March 14.—(Sp.)—Mesdames J. H. Love and Tom Hood and Miss Jessamy Hood visited in Mexia Tuesday, guests in the home of their relatives, Mesdames Mary Adamson and Ed Dunn.

Dr. and Mrs. Elbert Phipps of Kilgore were visitors here several days this week.

Dr. and Mrs. W. K. Sneed, Rev. and Mrs. Clarence C. Elrod were in Corsicana Monday.

Mr. and Mrs. Robert Davidson of Corsicana were guests of Mr. and Mrs. H. C. Meador.

Mr. and Mrs. Herbert Strunk visited relatives in Waco Sunday.

Mrs. Roy E. Ragsdale, Elizabeth and Roy, Jr., visited in Blooming Grove.

Mrs. Hoyt Curoot of Dallas is the house guest of Mr. and Mrs. G. L. Longbotham. Mrs. Curoot is sister of Mrs. Longbotham.

Mr. and Mrs. George Stubbs and children, Sara and John, visited relatives in Fairfield Thursday.

Mrs. Vastine Bounds and mother, Mrs. Will Smith, were Mexia visitors Wednesday.

Jim Sessions of Fairfield was in Wortham Wednesday.

Mr. and Mrs. M. A. Riley, Mrs. Ira Seale and Misses Maurine Riley and Ora May Evans were Corsicana visitors Wednesday.

At a meeting of the P. T. A. held in Teague, Mrs. Charles Stubbs was elected vice president of the district which included Wortham, Kilren and Streetman schools.

Mrs. Will Land and daughter, Mrs. Margaret Jensen of Clifton, were guests for several days of their mother and grandfather, Mrs. Ada Hurst and Mrs. M. Satterwhite.

Mr. and Mrs. W. A. Posey have as their guests this week their daughters, Mrs. Gene Broadhead of Dallas, and Mrs. Hugh Higgins and little son, Hugh, Jr., of Mexia.

Mrs. Julia Mathis who underwent an operation at the Navarro Clinic in Corsicana, is reported doing nicely.

Dr. K. W. Sneed, G. L. Longbotham and Mrs. Minnie Lewis of Dallas, Mrs. Mathis' sister, were with Mathis during the operation.

Corsicana Couple Married Thursday

Ottis Jordan and Miss Gracie Lee Andrews, both of Corsicana, were married at the courthouse Thursday afternoon. The ceremony was performed by Judge W. T. McFadden. Mr. and Mrs. Jordan will reside at 1200 West Thirtieth avenue.

J. W. Glasgow of Ux to W. B. Key, 30 acres J. A. Bell League survey, \$300.

Mrs. Addie C. Calhoun et al to Sydney Nowell, lot 2, block 544, Corsicana, \$2,100.

Roy Ernest Pickett et ux to W. E. Sprawl, 30 acres Enoch Friar League survey, \$650.

T. O. Sims to Della Sims, 57.25 acres J. G. Minor survey in Limestone and Navarro counties, \$5 and other considerations.

Marriage Licenses.
Leroy Russell and Ola Mae Griffith, Litta Jordan and Gracie Lee Andrews.

Justice Court.
Two were fined on drunkenness charges Thursday by Judge M. Bryant.

BURIAL SATURDAY FOR BODY BOILER EXPLOSION VICTIM

Funeral services for Robert T. Humphries, aged about 32 years, of Corsicana, who died Wednesday from injuries sustained in a boiler explosion near Wink, a few miles earlier, will be held here sometime Saturday afternoon. The body is scheduled to arrive here Saturday morning.

Mr. Humphries was an oil driller and went to Wink a few days ago.

Surviving are his wife, two children, Bobbie Joe and Peggy Joyce Humphries; mother, Mrs. R. J. Humphries, all of Corsicana; three brothers, Frank, Humphries, Andrews, and Hubert Humphries, Corsicana; and a sister, Mrs. Dick Molloy, Corsicana.

Corley Funeral home will direct the services.

FORMER DAWSON WOMAN PASSES AWAY IN SAN ANGELO

Mrs. Ida Matthews, about 50 years of age, widow of the late Dr. Matthews of Dawson, died at her home in San Angelo Friday morning at 6 o'clock according to information received by relatives here. The body will be returned to Dawson Saturday where the funeral rites will be held.

Surviving are three children, Leo and Windell Matthews, both of San Angelo; and daughter, Dixie Matthews, mother, Mrs. D. F. Fields, Corsicana; a brother, Albert Fields, Bazzette; and five sisters, Mrs. W. L. Merrell, Oak Valley; Mrs. Barney Hollingsworth, Corsicana; Mrs. Will French, Navarro Mills; Mrs. Mary Etta Davis, Blooming Grove, and a sister who resides in Houston.

Surviving are three children, Leo and Windell Matthews, both of San Angelo; and daughter, Dixie Matthews, mother, Mrs. D. F. Fields, Corsicana; a brother, Albert Fields, Bazzette; and five sisters, Mrs. W. L. Merrell, Oak Valley; Mrs. Barney Hollingsworth, Corsicana; Mrs. Will French, Navarro Mills; Mrs. Mary Etta Davis, Blooming Grove, and a sister who resides in Houston.

Club and Society Activities During Week in Wortham

WORTHAM, March 14.—(Sp.)—As a regular feature of the Masonic Lodge this week, a large attendance of the membership enjoyed a social affair, with Mr. Sam Helm of Corsicana the principal speaker. Guests registered from nine visiting lodges. The social program closed with serving of refreshments.

The P. T. A. met in regular meeting Tuesday at the school auditorium with Mrs. Ora Seale, president in charge of the business meeting, which preceded the interested program. Th 6th grade, sponsored by Miss Stimson, presented a Th 6th grade play.

Chorus girls costumed in red, white and blue, sang. Mrs. Charles Stubbs gave a history of the Wortham schools, from early days to the present of today. This was an unusual paper of much interest.

The Woman's Council of the Baptist church held their meeting this week at the church. The theme "Woman's Contribution to the Kingdom" was given by Mrs. W. D. Wilson and Mrs. Charles Stubbs. The devotion by Miss Little Manning.

The Woman's Missionary Society of the Methodist church met in circles this week. Circle No. 1 at the home of Mrs. Ernest Strange and Circle No. 2 at the home of Mrs. Lewis Irvan. Mesdames Edna and Mary Mesdames Raymond Wilson, respectively are circle chairmen. Both circles had regular business, Bible study, and social program. Delicious salad plates were enjoyed at the conclusion.

The Business Men's Civic club "went Centennial minded" during the business program of regular meeting, which was held Thursday evening. Various committee reports indicated much work on civic affairs in progress. The newly elected president T. S. Ogles presided. With Spurgeon Calamus as chairman of the program committee. A delightful entertainment program was given. Doyle Gurley and C. C. Smith are in charge of the next program.

The Woman's Auxiliary of the Central Presbyterian Church met in the home of Dr. and Mrs. K. W. Sneed, with large attendance present. The meeting featured Mrs. Van Hook Stubbs who carried the audience through a Nation Mission study, as she so splendidly gave in book review "Toward a Christian America." Honoring the Auxiliary's 25th anniversary, Mrs. J. J. Stubbs, who has served so faithfully in this official capacity for fourteen years and also a welcome for the new president, Mrs. Dick Wimberly, who begins office first of April. Mesdames H. C. Drumright, R. G. Poindexter, J. P. Stubbs, C. C. Elrod and Gussie Weaver.

"Texas in Holiday Dress" was the subject of the Wortham Study Club meeting this week, which was held in the home of Mrs. J. H. Love. Mrs. J. C. Hackney was director of the program. Assisting and subjects were the following: Mrs. John Tucker, "The County Fair"; Mrs. Gussie Weaver, "Fat Stock Show"; Mrs. Elmo Longbotham, "The Dallas Fair"; Mrs. R. G. Poindexter, "Battle Flowers"; Mrs. Oma "Cowboy Celebration at Stamford." The high light of the afternoon was a lovely composition of Mrs. Sarah Cole, "Mary," sung by Mrs. Dick Wimberly, accompanied by the composer.

Guests served salad plates, assisted by her daughter, Mrs. Finis Peyton of Teague.

Approximately 50 Navarro county farmers are preparing to plant small plots of three to five acres in soybeans this year, according to information presented at a meeting held at the city hall Saturday morning, or was already in the hands of the county agent.

It was indicated that all of the plantings would be an experiment, with each planter agreeing to use two or more varieties in an effort to secure first hand information on the types best adapted to this county. Among the communities which will have plantings are Rice, Cryer Creek, Long Prairie and Corbett.

The value of the soybeans as soil builders is not quite as well known as it should be, according to County Agent C. C. Morris, and some farmers have had previous experience, reporting that the beans produce excellent alfalfa when used as a substitute for alfalfa on upland sections.

Home Rebekah Lodge No. 128, Friday night voted unanimously to invite the Texas Grand Lodge and Rebekah Assembly to hold the 1937 meeting in Corsicana. Mrs. Bell Elkins is the representative of the local lodge and Dr. Lucile Dickinson is alternate to the meetings which open in San Angelo Sunday.

Several other members of the Rebekahs expect to attend the San Angelo sessions and put forth every effort to land the 1937 meeting for Corsicana in the home of the L. O. C. F. Home.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . . We have used Theodor's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their homes. . . . writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and indigestion. It is a safe, reliable and pleasant laxative. I have always found Black-Draught gives good results."

MRS. WHITNEY FILES VIGOROUS ANSWER IN VANDERBILT CASE

EVIDENCE OF IMMORALITY IN LIFE GLORIA MORGAN VANDERBILT IS CITED

WASHINGTON, March 14.—(Sp.)—"Evidence of immorality" was cited to the supreme court today as a reason why Mrs. Gloria Morgan Vanderbilt should not obtain custody of her 12 year old child, Gloria.

This contention was advanced by Mrs. Gertrude Vanderbilt Whitney, aunt of the young heiress, who has been given principal custody of the child by New York courts.

Mrs. Whitney urged the supreme court not to review the action of the New York tribunals. That would permit their decisions to remain in effect.

Mrs. Whitney contended that a \$48,000 a year allowance for support of the child was "spent chiefly" on Mrs. Vanderbilt who "devoted herself to the pleasures of a gay continental life abroad." Her brief said:

"The evidence of immorality of the mother, of her association with a certain type of woman, of her predilection for obscene literature, of her unconventional friendship for and intimacy with Prince Hohenlohe, of her relations with A. C. Blumhach, of her character of her fondness for the gaiety of night life, are merely indications of the character which has permitted her to neglect her child and force upon her a life of wandering."

Various committee reports indicated much work on civic affairs in progress. The newly elected president T. S. Ogles presided. With Spurgeon Calamus as chairman of the program committee. A delightful entertainment program was given. Doyle Gurley and C. C. Smith are in charge of the next program.

"While the child was with Mrs. Whitney," it added, "the petitioner, Mrs. Vanderbilt, who had no interest in her whatsoever until her enjoyment of the allowance was threatened."

Mrs. Whitney contended that from the time of the death of Mr. Central Presbyterian Church met in the home of Dr. and Mrs. K. W. Sneed, with large attendance present. The meeting featured Mrs. Van Hook Stubbs who carried the audience through a Nation Mission study, as she so splendidly gave in book review "Toward a Christian America." Honoring the Auxiliary's 25th anniversary, Mrs. J. J. Stubbs, who has served so faithfully in this official capacity for fourteen years and also a welcome for the new president, Mrs. Dick Wimberly, who begins office first of April. Mesdames H. C. Drumright, R. G. Poindexter, J. P. Stubbs, C. C. Elrod and Gussie Weaver.

Negro Sentenced Death Week After Murder Officer

TAHOCA, March 14.—(P)—Elmo Banks, negro, was under a death sentence today for slaying Deputy Sheriff F. E. Redwine in a jail break a week ago.

The jury's verdict late yesterday ended one of the speediest trials on record in the plains country. The death sentence was the first ever returned in Lynn county and the second in the 106th judicial district.

Redwine was shot five times with his own pistol when he attempted to lock the negro in a cell the night of March 6. The negro was captured Sunday and his trial opened Thursday.

The negro pleaded innocence and his court appointed attorney based his case on a cell the night of March 6. The negro was captured Sunday and his trial opened Thursday.

The WPA administrator, Corning Gill, his accounting expert, and Daniel Bell, acting budget director, did "make progress" in the three-hour conference with the President's Hopkins staff.

He would not "be surprised" if another conference is held before the relief message is sent to congress—some time next week. The WPA administrator, Corning Gill, his accounting expert, and Daniel Bell, acting budget director, did "make progress" in the three-hour conference with the President's Hopkins staff.

Whether \$1,000,000,000 would be requested in President Roosevelt's relief message next week, or a million, depends on the \$2,340,000,000 demanded by the United States conference of mayors, was a question that Harry L. Hopkins declined to answer last night.

The WPA administrator, Corning Gill, his accounting expert, and Daniel Bell, acting budget director, did "make progress" in the three-hour conference with the President's Hopkins staff.

Whether \$1,000,000,00

CORSICANA, TEX., MAR. 17, 1936
THE NEXT FEW WINTERS

Spring is on the way, but government Weather Bureau experts are still compiling their winter records. The mass of evidence before them shows that the continuous cold of February established new records of severity and duration and indicates also that the United States may be entering an era of "hard winters."

They don't mean that we are entering an ice age, but merely that we may be in a cold-weather cycle, with several winters of low temperature and excessive precipitation in prospect.

This warning ought to mean a little less discomfort when the mercury drops down to the neighborhood of zero again. Ear muffs and heavy underwear reappeared recently in many areas which had not known them for years. Golashes are in good style, and woolen sweaters, snow suits, warm mufflers, heavy gloves, leather windbreaker jackets and a great array of warm and sensible winter clothing will doubtless be even more in evidence next winter.

Also the great American public has been turning to winter sports more than usual in the last two or three years. People who really enjoy skating, coasting, tobogganing and skiing won't complain much about cold and snowy weather.

One other preparation would be wise. Snow-removing equipment for highways and railroads should be improved and augmented for the sake of safe transportation. Then we can say, "Let it snow!"

BASEBALL CENTENARY.

Cooperstown, N. Y., plans a centennial celebration in 1939 which won't be the centenary of the town's founding, which occurred farther back. The national game of baseball is said to have started there.

A public-spirited citizen has offered \$5,000 to get up a history of baseball from its origin in that community to its present high standing in the country. Cooperstown itself would not suffer in this project, but would attract baseball lovers the world over. The very diamond on which the game was first played is still preserved, along with a baseball museum containing various items of interest connected with the game. A big league pitcher invented the "spit ball" in Cooperstown.

The way centennials and centenarians are being announced all over the country shows that the United States has grown up enough to appreciate its own historic past. The more centennials the better.

Business men who object on principle to government relief work will have a good chance to practice what they preach, as 400,000 WPA workers per month are released and come around asking for private jobs.

Historical Note: This, as a business columnist observes, is the fifth year of recovery if you are a Republican, and the fourth year if you are a Democrat.

"You can say anything in 500 words," says Franklin Roosevelt. That is, if you have anything to say. If not, it takes more.

Women drivers may occasionally run male motorists off the road, but they seldom kill pedestrians.

JUST FOLKS

(Copyright, 1935, Edgar A. Guest.)

THE SNOWDROP BREAKS THROUGH.
A snowdrop broke the cold bleak earth today
And caught my eye as I was starting down
Once more to share the business of the town.
I thought I heard the fragile blossom say:
"Will you not now for just one moment stay
And put this morning's bit of burden down?
What is there more important in renown
Than my appearance on this patch of clay?"

"Herald of all earth's loveliness am I,
The first frail blossom of the coming spring;
What if in blindness you had passed me by?
You would have missed this day's supremest thing.
Stay for one moment; Happier you will be
Till nightfall comes for having sighted me."

CONQUERED CORRESPONDENTS

That Ethiopian war, in one respect at least, seems to mark the end of an epoch—the epoch of war correspondents.

They were a glamorous crew while they lasted. The modern breed started with Latin-American revolutions and other minor conflicts in various quarters of the world toward the end of the last century, distinguishing themselves in the Boer and Spanish-American wars and rising to universal honor and prestige in the World War.

Things have been a bit dull since 1918, so when the Italians invaded Ethiopia last fall the portable typewriter veterans flocked there from every point of the compass. There were grand reunions in Massaua and Assab and Djibouti and Addis Ababa. Then came great grief and deflation for the news eagles.

The censors cracked down on them from both sides. They were refused information and penned up where they couldn't see or hear what was going on. If they did escape occasionally for a reconnaissance, they nearly perished for lack of transportation, equipment and provision. The terrible climate alternately roasted and froze them. The insects, particularly the mosquitoes and fleas, bit and infected them. In three months nearly all of the original news outfit had to go back home to recuperate.

Their places were taken, to some extent, but the glow was gone from the job and it was merely a grim endurance test. Most of the famous correspondents who joined the first news rush will not go back. There are limits to what even a veteran war correspondent can or will endure, and Ethiopia is the extreme limit. If the news eagles are going to attend any more wars, it will have to be in more civilized and less torrid and verminous places. And you can't blame them.

FLYING LEADERSHIP.

Remember February? During that frigid month, American aviators set six new air records, three national and three international. Helen Richey of Pittsburgh, flying in bitter cold weather, established a feminine speed record for light airplanes. Terri Moore, a young aviation research worker in Boston, captured an altitude record for light seaplanes. Iona Coppedge of Dayton, flying with a passenger, established a special altitude record. Robert Bryant, flying from Rockhill, S. C., to Miami, 670 miles at 65 miles an hour, has had his flight certified as "the best official solo performance for light planes with an empty weight of 595 pounds."

The National Aeronautic Association reports that the United States now holds 42 aviation records. France is second with 37. Then come Italy with 28, Germany with 8, Poland with 8 and England with 1. American aviation today is far ahead of Europe in amount and safety of commercial flying. It is ahead in the establishment of all sorts of flying records. The two achievements doubtless go together.

The worst thing about an income tax report is the way it stretches a citizen's conscience.

What the country needs most is relief from relief.

ON THE RUN AT LAST!

—By Clive Weed

A JAP MISSIONARY.

American audiences are impressed by the talks of Toyohiko Kagawa, famous social and religious leader, now touring this country. A me rican-educated, he seems almost as much at home here as in Japan. He is a great enthusiast for two things, Christianity and co-operation. He sees the economic millennium in terms of a co-operative movement, such as has gone far in Japan and is making considerable headway in this country.

"The co-operative movement I speak of," he explains, "is not communism. Communism tends toward bureaucracy and violence. We cannot have that. What we seek is to socialize capitalism. Why cannot all the people, producer and consumer, agree?"

"If we could achieve this co-operation not only among ourselves at home, but between nations, we would do away with war. We need permanent international co-operative economic conferences based on Christian good will."

An economic system based on "Christian good will?" It is a hard saying in Christendom, which piles military wars upon economic wars.

TAPERING OFF WPA

A drastic deflation of work relief was announced on March 3 by Administrator Harry L. Hopkins after a conference with the President. The work relief rolls are to be cut 100,000 a week for the rest of the fiscal year ending June 30.

The original plan professed to aim at complete abolition of work relief by June 30, but few really expected such a result. Even the present scaling down is drastic, in view of the large volume of unemployment still existing.

The purpose in the proposed schedule is to ease the relief workers steadily into private jobs. Can or will private enterprise absorb them to the extent desired? Obviously that is the best thing for the government, for the nation and for business itself, if it can be done.

There should be the utmost co-operation on the part of private business, not only because that is the patriotic thing to do, but because it is the most effective way to reduce government expenses, end public deficits and avoid serious inflation.

And now, after those Ethiopian victories, will Mussolini be satisfied, or will he think he's Napoleon.

AGED WOMAN DIED HERE FRIDAY NIGHT; FUNERAL AT KERENS

Mrs. Martha Ann Peters, age 80 years, died at the home of her daughter, Mrs. J. H. Whitlaw, 1418 West Collin street Friday night at 11 o'clock. Funeral services will be held from the First Baptist church in Kerens Sunday afternoon at 2 o'clock and will be conducted by Rev. E. T. Miller, pastor of the First Baptist church here, and Rev. Mr. Baylock, pastor of the Baptist church at Tinseltown. Interment will be in Oak Grove cemetery three miles north of Kerens.

Mrs. Peters, with her late husband, W. S. Peters, came to this country from Louisiana in 1887 and settled in what is now Kerens as the Ingram community south of Kerens. They were among the first settlers to cross the Trinity river at Wildcat Ferry.

Mrs. Peters had been a member of the Baptist church for 56 years and took an active part not only in church work but the affairs of her community.

Surviving are ten children, W. S. Peters, Kerens; Mrs. Tom Brewster, Kerens; Jim Peters, Trinidad; Herb Peters, Trinidad; Dan Peters, Trinidad; Tom Peters, Malakoff; Tim Peters, Bessette; Ed Peters, Dallas; Mrs. J. H. Whitlaw, Corsicana; Mrs. A. D. Locklar, Corsicana and a number of grand children and great-grandchildren.

Palbearers will be Joe Jefferson, Frank Harrison, Hood Chesnut, Jesse Howell, Mack Bell and P. N. Stockton.

The Stockton Funeral Home at Kerens will direct the funeral arrangements.

MALAKOFF MAN DIED SATURDAY MORNING; BURIAL IN OKLAHOMA

MALAKOFF, March 14.—(Spl.) George W. Huff, age 65 years, died at his home here early Saturday morning. Funeral services will be held at the home Sunday morning and the body will be taken to McAllister, Okla., for interment Monday.

Mr. Huff was storekeeper for the Malakoff Fuel Company at the time of his death and before coming to Malakoff he had held responsible positions with the McAllister Fuel Company. He was a native of Illinois. He had been a resident of Malakoff for eight years.

Surviving are his wife and daughter, Miss Martha, who is a valetarian of the Malakoff high school class which graduates this spring.

FEDERAL FUNDS FOR MALAKOFF GYMNASIUM HAVE BEEN RELEASED

MALAKOFF, March 14.—(Spl.) M. P. Willis, superintendent of the Malakoff public schools, has received notice from Washington that money for the completion of the gymnasium had been released and he expects work on the project to be under way soon.

Courthouse News

District Court.
Cases of Harry Howard, false swearing and theft by bailee and swindling, were continued in district court Friday until the April term of the Thirteenth Judicial District Court. The bonds were ordered forfeited Thursday by District Judge J. S. Callicutt when Howard failed to answer when called. It is understood new bonds are provided.

County Clerk's Office.
The following cases were filed: Will Rogers, beer application. Workman's Loan and Finance Company vs. J. A. Skinner, suit on note and chattel mortgage.

Warranty Deeds.
The First National Bank of Corsicana, Texas, to Mrs. C. M. Cidley Lots 5, 6, 7, 8, 9 and 10, Block "D," E. B. Lewis addition, Corsicana, \$100 and other considerations.

Mineral Deed.
Mrs. Georgia Brown to W. K. Powell, 1-64th interest in 56 acres of the McCracklin survey, \$10.

Oil and Gas Leases.
Grace D. Hackley et al, to Bryon Cheney, 50 acres of the Wm. H. Hardeman survey, \$10. Mrs. A. P. Webster to A. J. Deskin, 1-4 acre of the E. L. Hard survey in the village of Bessette, \$12.50.

W. H. Crocker et ux, to John A. Deskin, 1-2 interest in 30 acres of the John Duncan survey, \$15. John T. Stringer to W. K. Powell, 42 acres of the L. M. Armstrong survey, \$10 and other considerations.

Mrs. Mary F. Jones et al, to W. K. Powell, 149 acres of the T. J. Jordan survey, \$10 and other considerations.

E. F. Bain to E. E. Babers, 104.9 acres of the John Duncan survey, \$10.

Marriage License.
James Jennings Garvey and Pearl Victory Holt.

Justice Court.
Three were fined on drunkenness charges by Judge M. Bryant. James Washington, negro, was charged with burglary and theft before Judge W. T. McEdden in connection with the burglarizing of the residence of Amy Campbell, negro, Thursday night when \$46 was taken after a window had been broken. The arrest was made Friday by Deputy Sheriff J. M. Westbrook and \$42 was recovered.

NAVARRO COUNTY 4-H CLUBS TO BE GUESTS OF SHOW

More than 400 Navarro county boys and girls, members of 4-H clubs, and their parents and leaders will be guests of the Southwestern Livestock Exposition and Fat Stock Show, according to information received from County Agents Ruth McNabb and C. C. Morris Saturday.

Almost every community in the county will be represented, with a majority of them supplying their own transportation. Others are being taken to Fort Worth through the courtesy of Corsicana residents.

The entire county delegation is scheduled to congregate at Forest Park in Fort Worth at a 10 o'clock Monday morning, and after inspecting the zoo and other scenes of interest in the park, will visit the large Montgomery Ward store, and then take in the various phases of the exposition. It is one of the largest delegations representing the county to go out in several years, according to local leaders.

TEXAS CENTENNIAL SPECIAL TRAIN TO BE PRESS SPONSORED

An all-Texas special train to advertise the Texas Centennial celebration is to be sent on a tour of the Southern, Northeastern and Northwestern states at an early date by the Texas Press Association. It was announced today by Lowry Martin, general chairman of the train following a conference with officials of the Central Exposition in Dallas.

Official endorsement of the train and co-operation has been promised by a committee representing the central exposition composed of R. L. Thornton, Harry Olmstead, Arthur Kramer, W. A. Webb and Frank Watson.

Representatives of the Texas Press and the Central Exposition corporation will meet in Dallas Wednesday morning at which time details in connection with the tour will be perfected. Members of the Central Commission will be invited to attend this meeting.

The train will be an all-state project, it was pointed out by Mr. Martin.

Members of the Texas Press Centennial Train committee include: Sam Harbin, Dallas, transportation chairman, and A. F. Mitchell, Corsicana, general chairman; Louis Elbert Galveston, president of the Texas Press Association, publicity chairman.

FUNERAL SERVICES HELD ON SATURDAY FOR JOE SMALLING

Funeral services for Joe Smalling, aged 49 years, who died at his home, 1417 West Eleventh avenue Friday morning at 5:30 o'clock following a short illness with pneumonia, were held Saturday afternoon at 3 o'clock from the Church of Christ with burial in Oakwood cemetery. The rites were conducted by Leslie G. Thompson of the local church, assisted by J. L. Hines of Dallas, former minister of the church here.

Surviving are his wife, three children, Johnnie Joe, Mary Alice and Ruth, all at home, and Mr. and Mrs. M. A. Smalling, a sister, Mrs. Charles Blackmon; two brothers, Will and John Smalling, all of Corsicana, and a number of other relatives.

Palbearers were A. S. Neal, Aris E. Foster, Henry Jackson, Dick Pickens, J. L. Wilson and R. T. Caton.

The funeral was directed by the Corley Funeral Home.

WALLACE BELIEVES LAND SPECULATION WORST OF PLAGUES

WASHINGTON, March 14.—(P) Secretary Wallace today described land speculation as "a plague more terrible than drought or insect pests, and almost as bad as war itself."

In a speech prepared for delivery before the people's lobby, the agriculture secretary voiced a warning against an excessive farm land boom.

"With its go high taxes, thoughts of moving to California, and delusions of grandeur," he said, "it has been 16 years since the last land disaster hit us, and only now are we beginning to recover."

The cabinet member expressed the belief that farm land should be higher in price than it is now, but declared that a boom should come during the next three or four years "the men on the farms will be the ones ultimately to suffer."

ADDITIONAL COTTON PAYMENT CHECKS ARE RECEIVED SATURDAY

A total of 143 checks representing amounts due as many producers in Navarro county for rentals and parity payments under the old federal farm program, were received at the central exposition and immediately prepared for distribution. They were the first vouchers received since the AAA was killed by the decision of the United States supreme court.

The checks amounted to \$5,128.61. Approximately 600 checks for Navarro county contract signers were reported outstanding when the payments were suspended several weeks ago.

Local officials anticipate that the checks will follow the same routine followed the past two years, several of them being received at regular intervals as the work of completing the payments swings back into the former routine. Some had anticipated that the checks would be awarded all at once but local officials indicated that this would cause too much congestion in Washington and would likely result in more errors.

BOILER EXPLOSION VICTIM BE BURIED SUNDAY AFTERNOON

Funeral services for Robert T. Humphries, 22 years old oil driller, who died Wednesday night in Wink following a boiler explosion earlier in the day, will be held Sunday afternoon at 3 o'clock from the residence of Dick Molloy, 2208 West Sixth avenue. The rites will be conducted by Rev. J. L. Whorton, Longview, and Rev. H. L. Poole, Barry. Interment will be made in Oakwood cemetery.

Surviving are his wife, two children, Bobbie Joe and Peggy Joyce Humphries; mother, Mrs. R. T. Humphries, all of Corsicana; three brothers, Frank Humphries, Angus; Clifford Humphries, Corsicana, and Hubert Humphries, Oklahoma; a sister, Mrs. Dick Molloy, Corsicana.

Palbearers will be R. H. Lee, R. E. Steele, E. R. Black, W. E. Long, B. F. Hand and W. T. Tapley.

The funeral will be directed by the Corley Funeral Home.

FUNERAL SERVICES FRIDAY AFTERNOON FOR MRS. BUTLER

Funeral services for Mrs. Hattie Butler, aged 38 years, who died in the P. and S. Hospital Thursday morning at 9:15 o'clock, were held Friday afternoon at 3:30 o'clock from the Elmo Baptist church with burial in the Elmo cemetery. The rites were conducted by Rev. Jones.

Surviving are her husband, S. R. Butler; four daughters, Geneva, Florence, Mac Anderson and Jennie Butler; an infant son, mother, Mrs. Walter Hood, all of Eureka community; five brothers, Henry Hood, Alex Hood, W. D. Hood, L. S. Hood, all of Corsicana; and Reuben Hood, Corsicana; four sisters, Mrs. D. L. Harrison, Dallas; Mrs. V. L. Chambliss, Liberty; Mrs. B. H. Horn, Mildred, and Miss Mae Hood, Abilene, and other relatives. The funeral was directed by the Corley Funeral Home.

CUTTING A LANE THRU THE DARK

To Help You Keep Abreast of the Times

So much is happening every day in the world of government that affects your living, income and buying power. What is Congress doing? For what money is to be spent? How will they raise it? Who is to administer the spending? What does this business improvement mean? Will it continue? Why is there another side to so many questions? All this makes you ask yourself—"How can I keep abreast of the times, understand what events mean, discuss national affairs intelligently?"

The United States News

Every week you find in The United States News a complete, accurate report of national affairs from Washington. News is grouped together in departments for your convenience. Simplified for quick reading. Connected for clearness and perspective. Authoritative, concise, usable.

Here you find why it happened, what it means, and what is likely to happen next. The United States News is truly the newsmagazine of national affairs.

Subscribe today! Congress is in session. A presidential campaign is warming up. Party platforms are to be written. More vital questions of national policy will be discussed this year than ever before. Be posted. Know the facts. Make your own decisions. Back them up with a clear-cut understanding of what is going on.

TEXAS TREASURY DEFICIT SHOWING GRADUAL DECREASE

AUSTIN, March 14.—(P)—Treasurer Charles Lockhart today called for payment \$1,141,987 general revenue warrants and announced the deficit had decreased to \$8,586,790 from \$9,145,558 on Feb. 20. The call included warrants through number 44,058 issued to Nov. 15, 1935.

A confederate pension fund deficit of \$4,609,735 was reported with a call for purchase of war bonds issued through May and June, 1935, if not discounted, and for payment of those issued through May and June, 1934, regardless of discount.

Prominent Kerens Man Passes Away

KERENS, March 14.—W. E. Smith, aged 75 years, native of this community, died at his home here Friday.

Mr. Smith was an extensive landowner, farmer and director of a local bank.

Surviving are his wife, a son, Eddie Smith, and one daughter, Mrs. H. E. Seale.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches, or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains ... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Bayer Aspirin

Great Lakes Exposition Plans Near Completion

One of the most ambitious civic projects ever undertaken by the city of Cleveland, the Great Lakes exposition, is rapidly taking shape. The basic theme of the exposition will be the romance of iron and steel, although the scope of the event will attempt to include most phases of industrial and business life. Extending from June 27 to Oct. 4—100 days—the show will occupy 125 acres along the Cleveland lake front. Among the events scheduled are industrial and historical pageants, the Great Lakes regatta, radio broadcasts by headliners of the entertainment world, sports events of various kinds, midway shows which will be grouped around the cosmopolitan streets of the world.

Cleveland concerns have underwritten the project to the extent of \$1,000,000, an outlay which will be supplemented by the permanent structures on the mall—such as the Cleveland stadium and public auditorium—and by private exhibits and concessions. Eben G. Crawford is permanent president of the exposition which also marks the centennial of Cleveland's incorporation. It is expected that attendance at the event will exceed 3,500,000 in view of the fact that the Republican and American Legion national conventions are scheduled for Cleveland this summer. Lincoln Dickey is exposition manager and Abram Garfield consultant architect.

NEW PARK QUARTERS DEDICATED

Arno B. Cammerer (right), chief of the national park service, department of interior, and Gov. J. Marion Futrell of Arkansas joined in dedication ceremonies when the government's new \$70,000 administration building was formally opened at the head of famous "Bath House Row" in Hot Springs National Park. (Associated Press Photo)

WHAT, NO FAN? NO BUBBLE?

Without benefit of ostrich feathers Sally Rand, dancer, soared thus gracefully—in an ordinary bathing suit—to express her exuberance, or something. The photographer snapped her at a point near St. Petersburg, Fla. (Associated Press Photo)

"Most Shapely Legs"

In competition with scores of chorines, Mme. Billie Borge was judged to have "the most beautiful legs in Paris", a title held for many years by Mlle. Mistinguett, famous entertainer.

Succeeds Hagood

Maj. Gen. Henry W. Butler (above), formerly commander at Fort Sill, Okla., assumed command of the Eighth corps area and Third army corps at San Antonio, Tex. He succeeded Maj. Gen. Johnson Hagood, who recently criticized WPA expenditures. (Associated Press Photo)

Scenes of Key City on Rhine

Here are two views of Cologne, key city on the Rhine, which was occupied by the Germans in direct violation of the Locarno treaty. At top is the famous Hohenzollern bridge which spans the Rhine river, and below is a view of the city itself with the historic Cologne cathedral in the background.

French Forts Near Completion

French apprehension over the rearmament of Germany has resulted in elaborate extension of the famous "Meginot line" of fortifications on the eastern border while diplomats have been attempting to enlist the might of Russia and Britain in alliance against possible future invasion by the Nazi forces. New underground arsenals, camouflaged gun casements and subterranean fortifications have been added to the bristling line of military works which were started under direction of the late Andre Maginot whose name was given "the great wall of France". More than \$150,000,000 has been spent on the system of fortifications since they were started five years ago.

Fights for Custody of Child

Here is Mrs. Anita Borg, 19, as she appeared in a Chicago court with her son to try and prevent her millionaire father-in-law, George W. Borg, from obtaining custody of the child. She alleges that the elder Borg was responsible for the estrangement of her husband, George M. Borg, and now seeks the child.

As Europe's Destiny Hangs in Balance

Great Britain's apparent desire to negotiate a new European peace treaty may be the factor which will determine which way the scales of international relations will tip. Interpretation placed on the speech of Anthony Eden, British foreign secretary, indicated that Britain would play the role of intermediary between France and Germany in the crisis caused by Adolf Hitler's action in remilitarizing the Rhineland. Pierre Flandin, French foreign minister, has indicated that he would demand sanctions be imposed against Germany by the League of Nations.

French Mobilize 150,000 Troops on Frontier

When Adolf Hitler ordered 25,000 German troops into the demilitarized Rhine frontier section, thus violating the Versailles treaty and creating a new international crisis, France retaliated by mobilizing 150,000 poilus in eastern fortifications. Some of the troops dispatched for the famous Maginot line several weeks ago at first indication of the impending crisis are shown embarking from Paris, below. France's famous line of steel and concrete underground forts, supplemented by tanks and anti-aircraft guns, such as are shown above, are commanded by Gen. Maurice Gamelin, inset, chief of staff of the French army, which is considered Europe's strongest military machine.

Three Rivals for "World's Most Perfect Figure"

When artists, illustrators, models and others engaged in a dispute as to who was the possessor of "the world's most perfect figure", it was decided to settle the issue with a contest in New York, March 15, in which the competitors would be Collette Nicks, left, trim New York model; Mardee Hoff, center, recently chosen by the American Society of Illustrators as having the most shapely figure, and Rosemary Andree, right, known as "the Vest Pocket Venus" of England.

FARMERS SHOULD BE GUIDED BY PREVIOUS CROPS EXPERIENCE

MAY GO ON WITH PLANTING AND STILL PARTICIPATE IN NEW PLAN

COLLEGE STATION, March 16. (Sp.)—Farmers who want to participate in the benefits of the new soil conservation and reforestation act but also want to go ahead with their planting while the season is favorable without waiting for full details might do well to be guided by their last year's plantings, putting acres which were "retired" under the old program into soil building crops for 1936, Jack Shelton, vice director and state agent of the extension service, has advised. Mr. Shelton recently returned from a regional meeting at Memphis called by the secretary of agriculture to help work out ways to put the act into effect.

It is a soil utilization and soil conservation program and crops will be classified as soil depleting crops, soil conserving crops, and soil building crops, Shelton said. "Cotton, corn, wheat and grain sorghums are our principal soil depleting crops in Texas and farmers making planting plans will have to remember this fact. There will be no crop control program, the secretary of agriculture has stated, but for working out the details of administering the act a job which has been assigned to the agricultural adjustment administration, recommendations made at the four regional meetings will be assembled out the details of administration and from these will be developed the program which will finally be sent to the country.

"It now seems that payments will be made directly to farmers based on the productivity of land devoted to soil conservation; and that they will be made on proof of compliance.

"Farmers and agricultural workers at the Memphis meeting seemed in good spirits and apparently returned out all difficulties in the way of getting the program under way. There seemed to be a feeling that we are fifty years late on a soil conservation program right now, but there is hope in all the experimental studies that have been made. There are 17 experimental stations placed in strategic positions over Texas, many of which have worked for a long period of years. They have accumulated much tested information which is going to be of great value in establishing what is proper land utilization and conservation. At least we know pretty well what good practices are and what crops are responsible for the great erosion menace which is attacking our country at this time."

LOST CHILD

(Continued From Page One)—to zero. He was rushed to a hospital at Lamar.

Veteran residents of the southeastern Colorado "dust bowl" were amazed that the child lived through the night. The temperature dropped to below freezing and the boy was clad only in overalls.

He had lost his shoes and sand burrs stuck in his flesh. The Fetters farm is two miles southeast of Two Buttes and six miles from the farm home of his parents, Mr. and Mrs. E. W. Benson.

ARMY DAY

(Continued From Page One)—Gen. Hermann Goering, minister of aviation, arrived unannounced for a first inspection of the air force since German troops marched into the Rhineland.

During the afternoon, guard regiments marched to the monument to the war dead to deposit wreaths. Newspaper editorials stressed the defensive character of the Rhin occupation and emphasized that the new German troops had the right of defending the soil of the homeland.

The arrival of Hitler this evening the populace will be given the opportunity to show its enthusiasm for his Locarno coup de force.

District Court. The jury for the week was excused for the remainder of the week Monday by District Judge J. S. Callieut.

The grand jury is scheduled to resume its investigations Tuesday morning after having been in recess for some time.

Velton Brandon vs. Ina Mae Brandon, divorce granted. Mrs. Eunice Nichols vs. Franklin Nichols, divorce granted.

County Court. Next week will be criminal week in the county court. The following have been summoned as petit jurors for the fourth week of the March term of the county court for the week beginning Monday, March 23: J. D. Burdine, Rice 11; R. P. Garrett, Corsicana 1; J. F. Slater, Frost; R. M. Ward, Dawson 1; S. A. West, Powell 1; A. S. Bryan, Barry 2; R. E. Bush, Corsicana 3; S. A. McElvany, Kerens 2; Hal Johnston, Eureka; E. E. Cone, Wortham; Walter Hindon, Corsicana 6; J. H. Sutton, Corsicana 1; Bryant Merrill, Mertens 1; J. C. Weaver, Wortham; T. T. Bryson, Corsicana 3.

Probate Court. Amelia Haley has been appointed guardian of the estate and person of Alice Marie Wells, a minor.

Assessor and Collector's Office. There had been only 1,487 automobiles registered in Navarro county Monday morning, according to an announcement at the office of L. L. Harris, assessor and collector of taxes. Only two weeks remain for the procuring of the license plates and due to the slowness of the registrations, a rush is anticipated during the closing days of the month. There are approximately 9,000 motor vehicles subject to registration in the county.

Marriage License. Alpheus W. Reid and Kathleen Brooks.

Warranty Deed. Nedra Delcambre, et vir., to E. M. Moore, Lots 3, 4 and 5, Block "A," Lewis Addition, Corsicana, \$500.

County Superintendent's Office. Supplies for the trustee elections in the various common school districts of Navarro county are being prepared for distribution at the office of G. H. Brown, Navarro county school superintendent.

The work of taking the school census in Navarro county is under way. This must be completed by April 1 in order that the school census can be on the rolls. If a scholastic is not enumerated, the state apportionment cannot be secured by the school district. County Superintendent Brown announced Monday that an effort was being made among the schools of Navarro county to procure written histories of the school districts and communities of the county. This work is being made in connection with the Texas Centennial, and will provide a much needed scholastic survey and information for future reference.

Justice Court. Four were fined on drunkenness charges by Judge M. Bryant during the week-end.

SUPREME COURT

(Continued From Page One) the law but ruled that the American States Public Service Company did not have to register with the securities and exchange commission because it did only an intrastate business.

Burco, Inc., was attempting to force the trustees of the Public Service Company to register with the commission.

The federal district court at Baltimore had held the legislation unconstitutional. During the afternoon, guard regiments marched to the monument to the war dead to deposit wreaths.

HITLER PRESENTS REGIMENTAL FLAGS ON GERMAN ARMIES

DER FUEHRER DECLARES GERMAN ARMIES CAN NEVER BE CONQUERED

BERLIN, March 16. (AP)—Reichsfuehrer Adolf Hitler, declaring Germany's armies "can never be conquered," conferred new regimental flags by decree on his armed forces today, on the first anniversary of Germany's re-armament in defiance of the Versailles treaty.

"The old armies' glorious career was cut short by the events of 1918," Der Fuehrer said in his decrees, issued in his role as supreme commander-in-chief of the reich's army.

"The gallant soldier whose spirit it has been well tried in past centuries may be repressed in times of national misfortune, but they can never be conquered."

Trumpet calls summoned Berlin to the celebration of the first anniversary of Hitler's creation of a new army.

Garrison troops marched from their barracks through the Brandenburg gate into the west end of the city, bands playing brisk marches.

In other garrison towns, outside the Rhineland, commanders addressed their assembled troops on the significance of this day—just one year after Der Fuehrer announced to the world his re-armament of the German army.

Nazis declared that act of re-armament placed Germany back in the ranks of the great European powers, making of March 17 their "tag der freiheit"—day of freedom.

The re-armament of the reich on land, sea and in the air has progressed swiftly in the year that has passed. 24 of the 36 army divisions contemplated having been created.

A great celebration of the occasion will be held tonight.

LOBBY PROBE

(Continued From Page One)

when Allen appeared. He stopped testifying.

Black smiled as he accepted the papers.

Smith testified many members of congress had been guests at the house in Washington during the last session of congress.

The statement brought a flurry of questions from Schwellenbach. He questioned whether the witness had let the congressmen know he was "paid by the power companies on the Pacific Coast."

Schwellenbach Questions. "They were not told you expected to be paid by power interests on the Pacific Coast?"

Schwellenbach asked. "They were invited the same way Rep. Ekwald (R-Ore.) invited me to a friendly evening with friendly congressmen. Isn't that the way you got in touch with them?"

"Categorically I would say, no," Smith said, adding that the guests were invited largely by western congressmen interested in reclamation.

"Did the congressmen, who invited these other congressmen, tell them you were receiving money from the power companies on the Pacific Coast?" Schwellenbach persisted.

"I couldn't say," "Did Ekwald know?"

"Undoubtedly. There has been no secret about it for years."

"Did you discuss with him whether he should tell the congressmen that you were paid by power companies on the Pacific Coast?"

"No," Smith said, reiterating that it was "no secret."

Besides, the witness said, they came out there to discuss reclamation."

Visibility was reduced to zero at the height of the storm. It apparently was centered between here and Garden City, Kans., and was felt in lesser degrees in Oklahoma, Colorado, Texas and New Mexico.

Dust Storm in Oklahoma. GUYMON, Okla., March 16. (AP)—A dust storm swept over Oklahoma's Panhandle today while rain fell in the northeast corner of the state.

Damage to wheat in the Panhandle was believed slight as a result of the new duster. The mercury dropped to two degrees below freezing at Guymon during the morning, but was rising.

ARREST OF MAN AS MAHAN SUSPECT IS DENIED BY OFFICER

PIERRE, S. D., March 16. (AP)—R. S. S. Pinkerton, special officer of the United States Indian service, denied reports today that a suspect in the George Weyerhaeuser kidnapping had been arrested on the Pine Ridge Indian reservation in southwestern South Dakota.

Pinkerton described as "hokey" a report from Gordon, Neb., that a man believed to be William Mahan had been arrested and brought here for identification.

"I know of no arrest and no one was brought here," he said. "Officers at the county and city jails here said no suspect had been brought here, and the state justice department reported no knowledge of any arrest."

GORDON, Neb., March 17. (AP)—A man believed by Indian reservation police to be William Mahan, one of the kidnapers of George Weyerhaeuser at Tacoma, Wash., last year, was arrested near Porcupine, S. D., on the Pine Ridge Indian reservation, 40 miles northwest of here, yesterday by Indian police. He was taken to Pierre, S. D., for identification.

The man, police said, came to Porcupine about a month ago with a wife and eight children. He took up lodging with an Indian and authorities became suspicious when he displayed \$20 bills recently.

The Pine Ridge officers thought he closely resembled photographs of Mahan on circulars calling for Mahan's arrest.

JAMES CAGNEY WINS SUIT AGAINST MOVIE COMPANY MONDAY

TERMS CONTRACT VIOLATED IN VARIOUS WAYS BY WARNER BROS. RULES JUDGE

LOS ANGELES, Calif., March 16. (AP)—Red-haired James Cagney won his suit today to cancel his \$4,500 a week motion picture contract with Warner Brothers Pictures, Inc. The decision was handed down by Superior Judge Charles Bogue, who ruled the studio had breached the contract.

Cagney asked abrogation of the contract on the ground the studio violated an oral agreement he said he had with Jack L. Warner, vice president in charge of production, not to star him in more than four pictures a year.

The decision in his favor was based on another of his contentions—that the film company failed to live up to a clause in his contract guaranteeing "star billing" on each of the films in which he appeared.

Cagney's lawyers showed his name had been in a subordinate position in the advertisements of "Casting Zero," and also in the billing of "Footlight Parade."

Judge Bogue ruled Cagney automatically waived his rights under the alleged oral agreement he said had been broken when he continued to work for the studio.

DUST LADEN WIND CUTS TEMPERATURE SOME IN CORSICANA

A blustery March wind brought clouds of dust and a slightly lower temperature to Corsicana Monday. Almost summer temperatures prevailed Sunday when a high reading of 88 was recorded, but there was a strong southwest wind almost all day.

The ground is drying rapidly under the hot sun and strong winds and rain will be needed soon to furnish surface moisture for recently planted crops are to thrive. Some corn has not come up and if it remains dry considerable difficulty will be encountered in securing a good stand.

Oats do not appear to be suffering. Cotton planting will start soon.

BEAUTY CHATS

By EDNA KENT FORBES

All requests for beauty information desired by Edna Kent Forbes column followers must be accompanied by a fully self-addressed, stamped envelope (4x6) and two cents in stamps to cover cost of printing and handling. For the illustrated pamphlet, "BEAUTY," ten cents in stamps will fully s.s.s.e. must be enclosed. Address Miss Forbes in care of this paper.

FINE PORES.

SKIN TONICS TO ORDER. Any time you feel an overpowering desire for a skin tonic, you can have one with no trouble and expense at all. Miss Forbes tells you how to-day.

In spite of a long association with the beauty trade, I do not know who invented astringent washes or other "refining" lotions for "refining" coarse or large pores. We all know, of course, that cold contracted the pores just as heat enlarged them—that is, caused the minute mouth of each pore to open and therefore to throw off whatever soil or secretion it held. In those days, however, we advised cold water as an astringent, and a few daring experimenters like myself even suggested ice.

For some years the beauty counters have been covered with the most delightful looking bottles which promise in flowery language to give you the most exquisitely fine complexion. All this has been a gold mine for a great many people. However, now that the reaction is setting in and women are beginning to say "does this really do all it claims," the bottled astringent is less popular. But if you do want something from a bottle, make it yourself as follows. Take one of the pretty bottles in which previously you purchased a dollar's worth of astringent lotion, fill it almost full of cold boiled water, and add a level tea-spoonful of powdered boracic acid to each glassful of water that the bottle holds, or you can add enough starch (un-dry starch) so that a little starch sediment forms on the bottom of the bottle. To make it even more effective add one tablespoonful of grain alcohol to each glassful of water. If you wipe over the skin with this lotion after using cold cream you will find that it takes the stickiness from the surface of the skin and leaves it in good condition for applying your powder.

Use these bottled astringents by soaking a wad of cotton with them and then wipe over the face and neck. If you don't want to bother, simply dash cold water all over your face and neck.

Mrs. H. F. F.—As all cases of eczema are different, there could hardly be any general advice that would be worth much. You need a doctor to care for the trouble, and he will suggest what should or should not be in your diet. The only advice in such a case is that you do not take fats or for that matter, no food that causes fermentation, or is apt to. The refined starches are foods that do not get proper digestion in the mouth, and they often pack in the intestinal tract, causing a toxic state. For some reason oily food is very disturbing in all cases of eczema, and sometimes oils or creams are not allowed on the skin, but a doctor will direct you in this, too.

CAMPAIGN STARTED FOR NEEDED FUNDS FOR BEAUTIFICATION

When a number of his workers were unable to start their efforts on the drive to properly finance the beautification campaign in Corsicana at the scheduled hour Friday morning, Rev. E. T. Miller, finance chairman, made the means fit the situation.

He started an immediate canvass of available workers and started them out in pairs as he secured them, and expected to have a full crew busy by noon. "I am not yet convinced that Corsicana doesn't want beautification and that the citizens are unwilling to support the movement, and I am going to keep trying until I get results," the chairman reported.

Complete Repairs
East First Avenue

City officials announced Saturday morning that extensive repairs on East First Avenue between Beaton street and Highway 75 had been completed and that travel over the street would be much more comfortable in the future.

The street was treated with crushed rock and asphalt topping several months ago, but had become very rough from holes and gullies. These have been filled in and a large portion of the street given almost a new surface.

A CRASHING CLIMAX OF FURNITURE VALUES

Starts Wednesday March 18th 9 a. m. 30 Big Selling Days
30 Bargain Days

You haven't seen anything until you visit this sale, it is by far the biggest selling program that has ever happened in the history of Miles Furniture Company. Why, because we are overstocked and on top of all that our buyer bought heavily while at the market. We must make room for ten cars of furniture coming in. To do that it will be necessary to move lots of furniture, and that is what we are going to do at a big sacrifice. Nevertheless everything goes. We are going to mark it down and let it go. Don't miss it -- it will be the biggest and best sale we've ever held.

HERE YOU ARE -- LOOK THIS OVER AND BE YOUR OWN JUDGE ABOUT VISITING THIS SALE
